

JoBot - Disclaimer

Please read this disclaimer carefully before using JoBot™ or any of the online resources of the Psychology Network Pty Ltd or joachimdiederich.com

This program is educational in nature. The program provides information including text, graphics, images and video on mental health issues and neuro-developmental disorders. In a conversational format, the program refers to publications, online resources and psychological techniques for information purposes only. While the program is updated frequently and the information it provides is based on clinical practice and experience, the content is not different to information in books or online material.

The content is not intended to be a substitute for professional medical or psychological advice, diagnosis or treatment. The information furnished by this program and the interactive responses are not intended to be professional advice and are not intended to replace personal consultation with a qualified physician or other healthcare professional. Always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition. Never disregard professional medical or psychological advice or delay in seeking it because of information provided online or as part of this program.

No claim is made that the information provided is helpful in individual cases. No change in the treatment of any health condition should ever be attempted without personally consulting a health professional. It is the users responsibility to consider the information provided and to discuss its appropriateness with a health professional.

Please note that a subset (but not all) of the interactions with this program are monitored for quality assurance.

Your reliance upon information and content obtained by you at or through this program is solely at your own risk. The Psychology Network Pty Ltd or Joachim Diederich do not assume any liability or responsibility for damage or injury (including death) to you, other persons or property arising from any use of any product, information, idea or instruction contained in the content provided to you.

If you have or suspect that you have a medical problem or condition, please contact a qualified healthcare provider immediately.

If you or a loved one is thinking or talking about suicide then you will need to seek urgent medical attention or alternatively call a crisis service such as Lifeline on 13 11 14 or Beyond Blue on 1300 224 636 (Australia). Please consult appropriate health services in your Region.

Liability Disclaimers

The Psychology Network Pty Ltd or Joachim Diederich do not make any warranty or representation, express or implied, as to the accuracy of the data from which the information is compiled or the accuracy of the information itself, nor the compatibility of the information with any hardware and systems, and specifically disclaims the implied warranties of merchantability and fitness for a particular purpose. You use this program and the material and information in this service at your own risk. The Psychology Network Pty Ltd or Joachim Diederich shall not be liable for any damages allegedly sustained arising out of use of this program and including any consequential, special or similar damages, even if advised of the possibility of such damages.

Please note that the Privacy Policy and the Terms of Use of the Psychology Network Pty Ltd apply.

Restrictions

No material from this program may be copied, reproduced, republished, uploaded, posted, transmitted, commercialised or distributed in any way. Modification of the materials or use of the materials for any other purpose is a violation of copyright and other proprietary rights. The use of any such material on any other networked computer environment is prohibited. All rights, title and interest in and to the materials in this program (including but not limited to all copyrights, trademarks, service marks, trade names and all derivative works) are owned or controlled by the Psychology Network Pty Ltd.

Relationship to Psychologists

There is no relationship between the Psychology Network Pty Ltd or Joachim Diederich and the providers mentioned on our Websites or in our communications.

The information provided does not constitute endorsements of any specific tests, products, procedures, opinions, or other information, and does not constitute a referral to any provider. You are responsible for choosing your own provider.

The Psychology Network Pty Ltd or Joachim Diederich do not examine, arbitrate or warrant the competence of any provider listed on our Websites or mentioned in a communication. We do not conduct independent reviews to verify degrees or other professional qualifications. We do not warrant that the providers are currently or properly licensed, registered, qualified or competent. Under no circumstances should our Websites or any communication be used to verify the credentials of a provider. We cannot vouch for the safety or efficacy of any treatment offered by any provider.

You should not rely solely on this service when seeking health services. We recommend obtaining other references from authoritative, independent resources regarding any provider's credentials and professional reputation and that you verify that the provider has current malpractice insurance coverage before engaging the provider's services.

Using our website or communications to locate, contact, or receive provider services is voluntary and is the choice of the user. In no event is the Psychology Network Pty Ltd or Joachim Diederich liable for damages for the voluntary selection of any provider, for the services provided by any provider or facility or organisation, or for any other damages which may occur.

The Psychology Network Pty Ltd or Joachim Diederich cannot and do not provide any warranties related to the information posted by or the resulting services from any of the providers that appear on our Websites or are mentioned in communications. Reliance on any information whether posted by us or any provider is solely at your own risk.

The Psychology Network Pty Ltd and Joachim Diederich are not liable for any misrepresentations or inaccuracies that may exist regarding information about a provider.
